

FRESH DUST TRIO

Fresh Dust trio is a new formation including well known slovenian guitarist and composer Samo Šalamon on six string and twelve string acoustic guitar and Marina Džukljević, pianist from Serbia with great talent. The trio is exploring the raw acoustic essence of the instruments and blends the tradition of free improvised jazz with contemporary preparations and techniques to lift the dust, make it fresh and bring the music into new sound potential. Album includes three graphic compositions and a open free improvisation, that comes to life in a very unike way, since acoustic guitar, piano and drums in a trio formation are rear to meet.
