

MARK O'LEARY
DYLAN VAN DER SCHYFF
WAYNE HORVITZ:

FLUX
(FMRC238-0607)

Mark O'Leary (guitar),
Dylan van der Schyff (drums, percussion),
Wayne Horvitz (piano, prepared piano)

The Irish guitarist Mark O'Leary follows his debut FMR release 'Signs' (FMRC214-1106) with this improvising trio recording. For 'Flux', O'Leary exchanges musical dialogue with ace drummer/percussionist Dylan van der Schyff and the dazzling piano and prepared piano of Wayne Horvitz over 15 taut improvisations that reveal these players as unique and individual performers of the highest calibre.

This is another exceptional disc from the up and coming guitarist Mark O'Leary, a player who has definitely broken into the upper echelons of the more-forward-thinking realms of jazz and improvisation. One to watch!!
